Education

GH Patel College Of Engineering And Technology	July 2025 - June 2028
B.Tech in Information Technology	CGPA – 9.05
Government Polytechnic Dahod	Sep 2022 – June 2025
Diploma in Computer Engineering	CGPA – 9.17

Experience

CSRBOX · Internship

June 2024 – Aug 2024

India · Remote

Worked as a Frontend Web Developer during a 3-month summer internship. Gained hands-on experience in building responsive web interfaces and collaborating with development teams.

Saifee Cyber · Internship

Aug 2023 – Aug 2023

Godhra, Gujarat, India · Remote

Developed Python-based solutions and gained practical experience in software development workflows and coding best practices.

Projects

AI Salary Prediction | Python , Streamlit , Jupyter Notebook

Machine learning app that predicts software developer salaries based on various factors.

AlgoPro Tracker | Python

Track your algorithm practice progress and improve your coding skills systematically.

MyGCET | Flutter, Dart , Supabase

A mobile app specially designed for GCET students to help with attendance tracking and academic management. Built to simplify student life and keep academics on track.

AI Price Negotiator | Php , Python , Xampp , SQL , HTML , CSS , JS

An e-commerce platform where customers can negotiate product prices with an AI-powered engine before purchasing. The system brings together three user roles -- customers, vendors, and administrators under a single platform, with a machine learning model at its core that learns from every negotiation to make smarter pricing decisions over time.

Achievements

Finalists | Odoo x GCET Hackathon '26

Skills & Technologies

Languages: C++ , C , Java , Python , SQL , Dart , PHP

Frameworks: Django , Flutter , Flask , Streamlit

Tools & Others: Git , Supabase , Vscode , Antigravity , Andriod Studio
